They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Isaiah 40:31

Learning, Adventure & Fellowship at Black Rock!

Our middle school students had an incredible three days at Black Rock Retreat filled with learning, adventure, fellowship, and plenty of memories!

Students stepped outside the traditional classroom for some exciting hands-on learning. They explored animals at the Nature Center, dissected frogs and owl pellets, went geocaching, and participated in team-building activities that encouraged communication, cooperation, and leadership.

There was plenty of fun, too! Students took on the zip line, played laser tag, went swimming, and when rainy weather changed some of the plans, the fun moved indoors for black light dodgeball!

Throughout the trip, students also had opportunities to grow in their faith through chapel and devotion time, while enjoying fellowship with their classmates and the beauty of God's creation.

After three packed days, the much quieter bus ride home said it all! We are so thankful for a safe and successful trip and for our teachers, staff, and chaperones who helped make it possible. What a wonderful opportunity for our middle school students to learn, grow, strengthen friendships, and make memories together!
